

Federal Reserve System

§ 208.28

have reasonable grounds for believing that the recommendation is suitable for the customer upon the basis of the facts, if any, disclosed by the customer as to the customer's other security holdings and as to the customer's financial situation and needs.

(e) *Customer information.* Prior to the execution of a transaction recommended to a non-institutional customer, a bank that is a government securities broker or dealer shall make reasonable efforts to obtain information concerning:

- (1) The customer's financial status;
- (2) The customer's tax status;
- (3) The customer's investment objectives; and
- (4) Such other information used or considered to be reasonable by the bank in making recommendations to the customer.

§ 208.26 Frequency of examination.

(a) *General.* The Federal Reserve examines insured member banks pursuant to authority conferred by 12 U.S.C. 325 and the requirements of 12 U.S.C. 1820(d). The Federal Reserve is required to conduct a full-scope, on-site examination of every insured member bank at least once during each 12-month period.

(b) *18-month rule for certain small institutions.* The Federal Reserve may conduct a full-scope, on-site examination at least once during each 18-month period, rather than each 12-month period as provided in paragraph (a) of this section, if the following conditions are satisfied:

- (1) The insured member bank has total assets of \$250 million or less;
- (2) The insured member bank is well capitalized as defined in subpart B of this part (§208.33);
- (3) At its most recent examination, the Federal Reserve found the insured member bank to be well managed;
- (4) At its most recent examination, the Federal Reserve determined that the insured member bank was in outstanding or good condition, that is, it received a composite rating of 1 or 2 under the Uniform Financial Institutions Rating System (Copies are available at the address specified in §216.6 of this chapter);

(5) The insured member bank currently is not subject to a formal enforcement proceeding or order by the FDIC, OCC, or Federal Reserve Board; and

(6) No person acquired control of the insured member bank during the preceding 12-month period in which a full-scope on-site examination would have been required but for this section.

(c) *Authority to conduct more frequent examinations.* This section does not limit the authority of the Federal Reserve to examine any insured member bank as frequently as the agency deems necessary.

§ 208.28 Prohibition against use of interstate branches primarily for deposit production.

(a) *Purpose and scope—*(1) *Purpose.* The purpose of this section is to implement section 109 (12 U.S.C. 1835a) of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994 (Interstate Act).

(2) *Scope.* (i) This section applies to any State member bank that has operated a covered interstate branch for a period of at least one year, and any foreign bank that has operated a covered interstate branch licensed by a State for a period of at least one year.

(ii) This section describes the requirements imposed under 12 U.S.C. 1835a, which requires the appropriate Federal banking agencies (the Board, the Office of the Comptroller of the Currency, and the Federal Deposit Insurance Corporation) to prescribe uniform rules that prohibit a bank from using any authority to engage in interstate branching pursuant to the Interstate Act, or any amendment made by the Interstate Act to any other provision of law, primarily for the purpose of deposit production.

(b) *Definitions.* For purposes of this section, the following definitions apply:

(1) *Bank* means, unless the context indicates otherwise:

(i) A State member bank as that term is defined in 12 U.S.C. 1813(d)(2); and

(ii) A foreign bank as that term is defined in 12 U.S.C. 3101(7) and 12 CFR 211.21.

(2) *Covered interstate branch* means any branch of a State member bank, and any uninsured branch of a foreign bank licensed by a State, that:

(i) Is established or acquired outside the bank's home state pursuant to the interstate branching authority granted by the Interstate Act or by any amendment made by the Interstate Act to any other provision of law; or

(ii) Could not have been established or acquired outside of the bank's home state but for the establishment or acquisition of a branch described in paragraph (b)(2)(i) of this section.

(3) *Home state* means:

(i) With respect to a state bank, the state that chartered the bank;

(ii) With respect to a national bank, the state in which the main office of the bank is located; and

(iii) With respect to a foreign bank, the home state of the foreign bank as determined in accordance with 12 U.S.C. 3103(c) and 12 CFR 211.22.

(4) *Host state* means a state in which a bank establishes or acquires a covered interstate branch.

(5) *Host state loan-to-deposit ratio* generally means, with respect to a particular host state, the ratio of total loans in the host state relative to total deposits from the host state for all banks (including institutions covered under the definition of "bank" in 12 U.S.C. 1813(a)(1)) that have that state as their home state, as determined and updated periodically by the appropriate Federal banking agencies and made available to the public.

(6) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(7) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank's loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the Board.

(c) *Loan-to-deposit ratio screen*—(1) *Application of screen.* Beginning no earlier than one year after a bank establishes or acquires a covered interstate branch, the Board will consider whether the bank's statewide loan-to-deposit ratio is less than 50 percent of the relevant host state loan-to-deposit ratio.

(2) *Results of screen.* (i) If the Board determines that the bank's statewide loan-to-deposit ratio is 50 percent or

more of the host state loan-to-deposit ratio, no further consideration under this section is required.

(ii) If the Board determines that the bank's statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank's statewide loan-to-deposit ratio, the Board will make a credit needs determination for the bank as provided in paragraph (d) of this section.

(d) *Credit needs determination*—(1) *In general.* The Board will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(2) *Guidelines.* The Board will use the following considerations as guidelines when making the determination pursuant to paragraph (d)(1) of this section:

(i) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(ii) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution's business or loan portfolio;

(iii) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(iv) The Community Reinvestment Act ratings received by the bank, if any, under 12 U.S.C. 2901 *et seq.*;

(v) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(vi) The safe and sound operation and condition of the bank; and

(vii) The Board's Regulation BB—Community Reinvestment (12 CFR Part 228) and interpretations of that regulation.

(e) *Sanctions*—(1) *In general.* If the Board determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank's statewide loan-to-deposit ratio

is less than 50 percent of the host state loan-to-deposit ratio, the Board:

(i) May order that a bank's covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(ii) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(2) *Notice prior to closure of a covered interstate branch.* Before exercising the Board's authority to order the bank to close a covered interstate branch, the Board will issue to the bank a notice of the Board's intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(3) *Hearing.* The Board will conduct a hearing scheduled under paragraph (e)(2) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 263.

Subpart B—Prompt Corrective Action

SOURCE: 57 FR 44885, Sept. 29, 1992, unless otherwise noted.

§ 208.30 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This subpart is issued by the Board of Governors of the Federal Reserve System (Board) pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o.).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institu-

tions that are not adequately capitalized. The principal purpose of this subpart is to define, for state member banks, the capital measures and capital levels that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This subpart also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to state member banks. Certain of these provisions also apply to officers, directors and employees of state member banks. Other provisions apply to any company that controls a state member bank and to the affiliates of a state member bank.

(d) *Other supervisory authority.* Neither section 38 nor this subpart in any way limits the authority of the Board under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this subpart may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the Board, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a bank under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the Board or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the Board or any other Federal banking agency has assigned the bank to a particular capital category.

§ 208.31 Definitions.

For purposes of this subpart, except as modified in this section or unless the context otherwise requires, the terms used have the same meanings as
